

NiBS BATTERY CONFERENCE

+ - 2010

10 - 11 NOVEMBER OSWESTRY, SHROPSHIRE

Following the success of our Battery Seminar events in October 2009 and most recently in March 2010, NIBS have decided to launch the 10th and 11th November 2010 event in the larger and more flexible 'conference' format.

This exciting step will launch the **Nibs Battery Conference** as the only battery dedicated conference in the UK.

Featuring stands from leading Standby Power Battery manufacturers, UPS suppliers, Charger manufacturers, Cable Suppliers, Electrical test and measurement equipment suppliers, Load Bank manufacturers and a leading waste recycling company.

We will also enjoy talks from industry leaders from manufacturing, consultancy and end user aspects to include case studies and technical papers.

We will be covering a range of topics to include

- Health and Safety Issues
- UPS systems
- NiCad batteries
- Approval processes, products and contracts
- Chargers
- Maintenance programmes
- Recycling of battery systems
